The OOTK at a Glance: Checklist of Divinatory Procedures

FIRST OPERATION	Opening of the Four Worlds
-----------------	----------------------------

- ☐ Identify significator card (SIG.) for the seeker and intend the card to become the representation of that seeker.

Quick Reference Court Card Significator Selection

- ☐ Opening of the Four Worlds; locate SIG. among the four card piles. Assess divination result.

Quick Reference Four Worlds Correspondence Table

- ☐ Shift perspective, moving SIG. to top of card pile. Proceed with card counting.

Quick Reference Card Counting Numerical Correspondences

- ☐ Read the string of counted cards, or the narrative.

Reminder: FEEL (emotions evoked from landscape of cards), THINK-HEAR (sounds or the seeker's thoughts you can hear from the cards), PRESENT (summarize status quo), VISIONARY PROJECTION (scan for omens, step into the imagery of the card, and project beyond the imagery to see beyond).

- ☐ Card pairing. Assess for elemental dignities.

- ☐ When a triplet of cards is “notable” per the preceding assessment, read the cards for tangible insights to convey to the seeker. When a triplet of cards is “not notable” per assessment, move on.

FIFTH OPERATION	Tree of Life Revealing the Key
-----------------	---

- Collect all cards, shuffle, and distribute entire deck into 10 card piles for the Tree of Life spread. Starting at the crown, or top-most pile, go in order of the sephiroth in search of the SIG. Card pile of SIG. denotes sephira of note for revealing the Key.

Read all cards in sephira pile as narrative.

Perform card pairing. Read for elemental dignities.

Assess whether the Key has been revealed during the course of this divination.
