#### Analytical Approach to Reading a Narrative (or String Analysis for Selected Cards)

#	Line of inquiry	Following the approach, write out your reading interpretation of the narrative result.
1	<p>“YOU (The Querent) FEEL...”</p> <p>Scan the cards for a symbol that upon immediate first impression triggers an emotion in you. State that emotion.</p> <p>Taken as a whole, what emotions are evoked from that landscape of cards?</p>	
2	<p>“YOU THINK...”</p> <p>Scan the cards for a symbol that expresses an idea. Focus inward and try to use auditory intuition, or your psychic ear to hear thoughts, hear sounds, and any voices.</p>	
3	<p>“YOU ARE CURRENTLY...” (What)</p> <p>Scan the cards for a figure or a representative gesture of the querent’s status quo.</p> <p>Summarize the present situation by reading the narrative of cards in totality.</p>	
4	<p>“I SEE...” (Intuitive Visionary Projection)</p> <p>Scan the cards for the first symbol or sign that captivates you. What does that symbol represent to you? Use that symbol to trigger an intuitive vision and project into the future possibilities.</p> <p>That one symbol is like a white rabbit. Follow the rabbit down the rabbit hole and observe what you see along the way.</p>

### Analytical Method for Assessing Elemental Dignities

For each pair produced by the divination, fill out the following table to assess that pair:

<i>Card 1</i>	<i>Card 2</i>
<i>Card 1 Divinatory Meaning (Keywords)</i>	<i>Card 2 Divinatory Meaning (Keywords)</i>
<i>Elemental Dignity of Card 1 (Fire, Water, Air, etc.)</i>	<i>Elemental Dignity of Card 2 (Fire, Water, Air, etc.)</i>

Check one:

- ☐ This is a FIRE and WATER pairing, so they weaken. At this point, personal willpower will be the deciding factor on the outcome of the situation.
- ☐ This is an AIR and EARTH pairing, so they weaken. At this point, personal willpower will be the deciding factor on the outcome of the situation.
- ☐ This is a FIRE and AIR pairing, so they strengthen. The divinatory meaning of the two cards is likely to come true.
- ☐ This is a WATER and EARTH pairing, so they strengthen. The divinatory meaning of the two cards is likely to come true.
- ☐ OTHER: The divinatory meaning of the two cards represents significant possibilities and is a message from the Divine that the querent needs to hear to trigger the optimal outcome.

#### *Reading the Pair: Final Divinatory Meaning Yielded by Card 1 and Card 2 Together*

In every pairing, one is dominant and one is submissive. In this pair, intuit the card that seems to be dominant. *Note.* Majors dominate over Minors; higher numbered pips dominate over lower numbered; Aces are strong; courts are ranked by hierarchy.

How does the meaning of the submissive card supplement the meaning of the dominant card?

### Second Operation Comparative Analysis with Results from First Operation

Recall the card pile your significator appeared in during the First Operation. Shade in the correct card pile below.

<b>H</b> <b>Earth</b>	<b>V</b> <b>Air</b>	<b>H</b> <b>Water</b>	<b>I</b> <b>Fire</b>
Economy The Material	Community Thought Plane (Intellectual)	Love Emotional Plane	Work Our Work & Bodies

Locate the applicable column in the reference chart from the previous page. If the significator (SIG.) was in the Fire pile in the Opening of the Four Worlds, then read the Fire column, if it was in the Water pile, read the Water column, etc. Follow the line of inquiry in that column until you've located the house that the SIG. is in.

Which astrological house was the SIG. in?

What is the corresponding element of that astrological house?

What was the corresponding element from your First Operation result?

Is the corresponding element for that house the same as the corresponding element of the card pile from the First Operation?

☐ Yes  
☐ No

If YES, then note synchronicity. Divinatory message is coming through loud and clear.  
If NO, continue inquiry.

Are the elemental relations dignified and therefore strengthening and amplifying?

☐ Yes  
☐ No

FIRE ↔ AIR or WATER ↔ EARTH

If YES, then note empowerment factor.  
If NO, continue inquiry.

Are the elemental relations ill-dignified and therefore in conflict and weakening?

☐ Yes  
☐ No

FIRE →||← WATER or AIR →||← EARTH

If YES, then note flux in current life path.  
If NO, continue inquiry.

Note the meaning of that astrological house your SIG. is in. How does it relate to the divinatory results from the First Operation?

### Second Operation: Analytical Approach to Reading a Narrative (or String Analysis for Selected Cards)

#	Line of inquiry	Following the approach, write out your reading interpretation of the narrative.
1	<p>YOU FEEL...</p> <p>What do the signs and symbols in the overall landscape from the string of cards tell you about the emotions at play?</p> <p>How does the querent feel about issues relating to the astrological house the SIG. is in?</p>	
2	<p>YOU THINK...</p> <p>What ideas does the querent have about issues relating to the house? Reconcile it with the narrative from the First Operation.</p> <p>Where does the querent think he/she is? What physical and metaphysical space does the querent think he/she occupies? Compare to the meanings of the astrological house.</p>	
3	<p>THE PROBLEM IS...</p> <p>What do the signs and symbols in the cards tell you about what the problem is, as it relates to both the First Operation and the implications of this astrological house?</p>	
4	<p>THE SOLUTION IS... <i>and</i> I SEE... (Intuitive Visionary Projection)</p> <p>What do the signs and symbols in the cards tell you about what the solution is? Scan the cards for what imagery most captivates you and follow that imagery intuitively to a future projection or astral projection that will help you gain insight into the solution you need.</p>

Fifth Operation: Procedure If Yes, Key Has Been Revealed

**The Key.** Note the cards in the narrative in the order as they appear within the sephira, including the positioning of the signifier.

Space for a possible eighth card is provided below, but if there are only seven cards, then cross out the eighth card space or write in "N/A."

First Card	Second Card	Third Card	Fourth Card
Fifth Card	Sixth Card	Seventh Card	Eighth Card

In 1-3 sentences, sum up the narrative of the cards noted above.

If through this OOTK procedure the Key has been revealed to you, then take time to sit with the narrative of cards in the sephira of your SIG. and free-write intuitively to try to channel further messages and divinatory meanings from the narrative. Log the channeled free-write below or if you need more space, on a separate sheet.

### Fifth Operation: Procedure If No, Key Has Not Been Revealed

FIRST OPERATION	
What area of your life do you need to focus your energies on right now? [Per the Opening of the Four Worlds, or the IHVH Card Piles]	
Summarize the takeaway point from the narrative, or string.	
Summarize the takeaway point from the card pairing procedure.	
SECOND OPERATION	
How do you get to where you want to be? [House Pile of Significator and String Narrative]	
What area of life is linked to improving the status quo? [Note astrological house correspondence]	
THIRD OPERATION (Case Method)	
What time period do you need to be mindful of? <i>Note.</i> Here, if the Key was not revealed during the OOTK, reflect on the divinatory result of timing in the Third Operation. Oftentimes the timing noted here will answer to you why you weren't ready to receive the revelation.	
Also, what are some of the qualities associated with this zodiac sign? Perhaps these are the qualities you need to develop in yourself before you're ready for the Key. [Note astrological sign correspondence]	
FOURTH OPERATION (Astrological Approach)	
After the decan to tarot card elemental analysis, note the houses that were marked "WEAKEN." These houses correspond to areas of life that you'll want to devote greater attention to in a way that will enable that part of your life to work more harmoniously with the other parts of your life. Consider shadow work or further inner reflection on your experiences with these areas of life. When the weaknesses have been neutralized, then you will be ready to receive the Key.	
At the close of the operation, what was the dominant element? Correspondences to that element are qualities you may need to develop further in yourself before you're ready for the Key. [Note last prompt in the Fourth Operation section of this workbook.]
